The essence of caring

Our Finch Bay Spa occupies a charming building located along one side of the property, surrounded by mangrove trees and just a stone's throw away from the ocean. This hide-away, built out of local volcanic rock, is both secluded and tranquil; an ideal spot for enjoying carefully selected wellness treatments and our two hot tubs. A small gym and a yoga room allow you to stay active during your visit to the Enchanted Islands.

We invite you to join us for a moment of peace and wellbeing amidst the natural beauty of the Galapagos Islands.

The Finch Bay Spa offers one single and one double therapy room. All of our treatments are available to book for two.
