

THE WINE SPA AT VIK CHILE

Nestled in a magnificent vineyard in a terroir known by the natives as Millahue, the “place of gold”, so named for its nature, beauty, diversity and the gold found in the area... and now for the VIK wine.

Located just two hours from Santiago in the central area of Chile, **Vik Chile** is the perfect place to relax in a tranquil atmosphere. Enjoy the exceptional climate with warm sunny days and cool crisp evenings from September through May.

Our holistic wine spa invites you to enjoy a unique wellness experience designed to renew your physical and mental energy with special therapies that are a perfect combination of aromas, textures and sounds and offer an outstanding breadth of sensations.

Our treatment products were developed from our terroir, where the polyphenols from our grape seeds and the resveratrol from the vines provide superior anti-aging, moisturizing, nourishing and anti-inflammatory properties.
